

Associate Position

Overview of TTK Partners, LLC

TTK Partners is a mergers & acquisitions advisory firm formed in 2003 by former Wall Street professionals. Our founding Partners have worked together for over a decade, solving complex financial and strategic issues on behalf of clients across a wide range of industries. TTK Partners' practice is focused on providing financial advisory services to both public and private companies in the US and abroad. TTK Partners offers an entrepreneurial work environment and opportunity for significant career advancement.

Job Description

Responsibilities:

- Candidate will play a significant role in transaction execution for various mergers & acquisition assignments
- The Associate will oversee and participate in the preparation of financial models, valuation analyses, client presentations and offering memoranda
- A significant part of the Associate's role will be to perform due diligence and to interact directly with client management teams with minimal supervision
- Interact with and assist in supervising and training junior staff

Qualifications:

- At least two years relevant investment banking, private equity or other financial services experience
- Must demonstrate superior analytical, computer, research and communication skills and a thorough understanding of financial statements and financial statement analysis
- Strong desire to work in a fast-paced, entrepreneurial environment
- Must also possess exceptional interpersonal skills and be familiar with public and private company valuation methods
- Initiative, integrity, diligence and a strong desire to achieve will distinguish successful candidates
- Work experience in European countries and/or fluency in either German, French or Spanish is a strong plus

Local candidates are strongly preferred.
